

XVII AAGL INTERNATIONAL MEETING

European
Society for
Gynaecological
Endoscopy

GYNITALY

May 7-10, 2023

Auditorium della Tecnica
Convention Center
Rome-Italy

Chair Mario Malzoni (Italy)
Co-Chair Mauricio S. Abrão (Brazil)

Honorary Presidents
Michel Canis (France)
Benoît Rabischong (France)
Giovanni Scambia (Italy)
Enrico Vizza (Italy)
Arnaud Wattiez (UAE)

Executive Director
Linda Michels (USA)

**SCIENTIFIC
PROGRAM**

in collaboration with

INVITATION

Dear Friends,

We are proud to announce that Rome will host GYNITALY: The 17th AAGL International Meeting on Minimally Invasive Gynecological Surgery (MIGS) in conjunction with ESGE (European Society for Gynaecological Endoscopy) from May 7 to May 10, 2023, therefore the expected Endometriosis2023 Congress will be part of this global event. Our aim is to spotlight new technologies, new surgical, diagnostic or therapeutic devices that offer the promise of improved patient care.

Engaging and interactive, this three-day event will be unlike any other meeting offering scientific excellence in the fields of Minimally Invasive Surgery in Gynecology. The Congress will bring together many of the world's leading experts providing also a unique opportunity to share the current and future diagnostic and surgical challenges and to discuss novel approaches and standards, facilitating progress towards patient-oriented solutions.

The scientific agenda will include:

- **Pre-congress courses on Ultrasound, Infertility, Endometriosis and Hysteroscopy**
- **Live Surgeries marathon**
- **Keynote lectures**
- **Satellite symposia**
- **Debates with an EVIDENCE BASED EDUCATION**

Main topics will be:

- **Endometriosis**
- **Benign diseases**
- **Oncology**

Focusing on latest developments in Minimally Invasive
Gynaecologic Surgery:

- **Laparoscopy**
- **Mini-Laparoscopy**
- **New Robotic Platforms**
- **Hysteroscopy**
- **V-NOTES**
- **Laser**
- **Plasma Jet**
- **Radiofrequency and Ultrasounds**

Bringing together world-renowned gynecologists and surgeons, this event is an outstanding opportunity that you can't miss.

See you in the Eternal City!

CLOSING CEREMONY

02.00 pm					
----------	--	--	--	--	--

SUNDAY, MAY 7

PRE-CONGRESS COURSES:

PG COURSE 1: STEALING SECRETS FROM THE EXPERTS/SURGERY

Interactive course on surgical strategies and techniques in pelvic and abdominal deep Endometriosis with video demonstrations

Course Directors: M.S. Abrão, M. Malzoni

The course aims at improving knowledge crucial for developing proper strategies to surgical approach in DIE.

The program was built thinking to qualified surgeons wishing to extend their practice in this challenging disease.

Prerecorded surgical videos from renowned surgeons will be our instruments to guide participants in developing the ability to translate knowledge and new techniques in working practice.

Interactive discussion during the entire course will stimulate the development of critical approach to evaluate a wide range of common situations reflecting the everyday clinical practice.

Course Objectives:

After completion of the course participants will be able to:

- Obtain all the information about anatomy and neuroanatomy in the retroperitoneal spaces
- Improve their knowledge about surgical strategies
- Improve their knowledge about new technologies needed to perform safe and efficacy surgery in DIE

SUNDAY, MAY 7

PRE-CONGRESS COURSES:

PG COURSE 1: STEALING SECRETS FROM THE EXPERTS/SURGERY

Interactive course on surgical strategies and techniques in pelvic and abdominal deep Endometriosis with video demonstrations

Course Directors: M.S. Abrão, M. Malzoni

Chairs: M.Mabrouk, R. Pasic, S. Singh

VIDEO DEMONSTRATIONS

02.00 pm - 02.30 pm	Ovarian endometrioma	<i>C. Miller</i>
02.30 pm - 03.00 pm	Retrocervical area and vagina	<i>J. Keckstein</i>
03.00 pm - 03.30 pm	Bladder resection and reconstruction	<i>H. Ferreira</i>
03.30 pm - 04.00 pm	Ureterolysis, ureteral resection and reimplantation	<i>R. Seracchioli</i>
04.00 pm - 04.30 pm	Parametrium, sacral roots and sciatic nerve neurolysis and decompression	<i>S. Khazali</i>
04.30 pm - 05.00 pm	Shaving and discoid bowel resection	<i>W. Kondo</i>
05.00 pm - 05.30 pm	Segmental bowel resection	<i>M. Malzoni</i>
05.30 pm - 06.00 pm	Diaphragm and other sites	<i>A. Vidali</i>
06.00 pm - 06.30	Adenomyosis: novel diagnosis in classification and new surgical approaches	<i>L. Adamyan</i>
06.30 pm - 07.00 pm	Discussion	

SUNDAY, MAY 7

PRE-CONGRESS COURSES:

PG COURSE 2: STEALING SECRETS FROM THE EXPERTS/IMAGING

Interactive course on US and MRI in Endometriosis and Oncology with live and pre-recorded demonstration.

Course Director: A. Di Giovanni

The course aims at developing knowledge and understanding in performing and interpreting properly US and MR imaging for endometriosis and gynecologic oncology.

The program was built thinking to qualified sonographers and radiologists wishing to extend their practice in benign and malignant gynecologic diseases. Keynote lectures and live and prerecorded US/MRI cases from renowned imaging operators will be our instruments to guide participants in developing the ability to translate knowledge and new techniques in working practice.

Interactive discussion between sonographers, radiologists, pathologists and surgeons during the entire course will stimulate the development of critical approach to evaluate a wide range of common pathologies and situations reflecting the everyday clinical practice.

Course Objectives:

After completion of the course participants will be able to:

- Develop a systematic approach for proper ultrasonographic evaluation of female pelvis
- Recognize US and MR signs of uterine, adnexal and deep infiltrating endometriosis and oncologic diseases
- Recognize anatomic landmarks crucial for understanding disease's extension
- Offer a first line high quality US examination and understand which cases require more advanced experts' evaluation

SUNDAY, MAY 7

PRE-CONGRESS COURSES:

PG COURSE 2: STEALING SECRETS FROM THE EXPERTS/IMAGING

Interactive course on US and MRI in Endometriosis and Oncology with live and pre-recorded demonstration.

Course Director: A. Di Giovanni

08.15 am - 08.40 am Registration open

08.40 am - 08.50 am Opening

SESSION I: ENDOMETRIOSIS

Chairs: G. Hudelist, K. Huang, A. Vidali

Discussants: P. Carfagna, K. Menni, M. Rius

08.50 am - 09.10 am What surgeons need to know ***M. Malzoni***

09.10 am - 09.30 am SRU (Society of Radiologists in Ultrasound) consensus statement on routine ultrasound of Endometriosis
S. Young

09.30 am - 09.50 am Adnexal endometriosis ***S. Guerriero***

09.50 am - 10.10 am Adenomyosis and Bladder DIE ***C. Exacoustos***

10.10 am - 10.30 am ***Coffee break***

10.30 am - 10.50 am Retrocervical and parametrial DIE ***A. Di Giovanni***

10.50 am - 11.10 am Bowel DIE and extrapelvic sites ***M.O. Gonçalves***

11.10 am - 11.30 am MR imaging of pelvic and extrapelvic endometriosis
M. Bazot

11.30 am - 12.00 pm Discussion

12.00 pm - 01.30 pm **LIVE SCANS & MRI SLIDESHOW** with interactive discussion

01.30 pm - 02.15 pm ***Lunch***

SUNDAY, MAY 7

PRE-CONGRESS COURSES:

PG COURSE 2: STEALING SECRETS FROM THE EXPERTS/IMAGING

Interactive course on US and MRI in Endometriosis and Oncology with live and pre-recorded demonstration.

Course Director: A. Di Giovanni

SESSION II: ONCOLOGY

Chairs: V. Chiappa, E. Vizza, G. Zannoni

Discussants: G. Bogani, F. Falcone

02.15 pm - 02.35 pm	Pathology/Imaging correlation in gynecologic oncology G. Zannoni
02.35 pm - 02.55 pm	Endometrial and cervical cancer D. Franchi
02.55 pm - 03.15 pm	From typical fibroids to leiomyosarcoma C. Exacoustos
03.15 pm - 03.35 pm	Epithelial BOTs and early stage ovarian cancer, non-epithelial histotypes L. Valentin
03.35 pm - 03.55 pm	Advanced and metastatic ovarian cancer A. Testa
03.55 pm - 04.15 pm	MRI role in gynecologic oncology L. Manganaro
04.15 pm - 05.15 pm	Discussion
05.15 pm - 06.15 pm	PRERECORDED SCANS & MRI SLIDESHOW with interactive discussion
06.15 pm	Adjourn

SUNDAY, MAY 7

PRE-CONGRESS COURSES:

PG COURSE 3: INFERTILITY AND REPRODUCTIVE SURGERY

Course Directors: A. Pellicer, F. Ubaldi

The course intends to give a general overview of the problems found in infertile women with endometriosis, adenomyosis and other pathologies related to infertility. The course describes the pathophysiology, the diagnosis and the management of the endometriosis/ adenomyosis in infertile women together with the surgical approaches of the most common pathologies associated to the infertility.

Course Objectives:

After completion of the course participants will be able to:

- Understand the pathophysiology of endometriosis and adenomyosis;
- Understand how both entities affect oocyte/embryo quality and endometrial receptivity;
- Understand the therapeutic benefits of surgical approaches in the most common pathologies associated to the infertility.

SESSION I: PATHO-PHYSIOLOGY OF ENDOMETRIOSIS/ADENOMYOSIS

Chairs: F. Cappiello, A. Pellicer

10.00 am - 10.30 am	The association endometriosis-infertility: What is new?	C. Bulletti
10.30 am - 11.00 am	Oocyte quality in women with endometriosis	M. Mignini Renzini
11.00 am - 11.30 am	The relationship endometriosis-adenomyosis: Same or different entities, association	J. Donnez

SESSION II: DIAGNOSIS, PREVENTION AND ART OUTCOME OF ENDOMETRIOSIS/ADENOMYOSIS

Chairs: C. Bulletti, F. Ubaldi

11.30 pm - 12.00 pm	The diagnosis of adenomyosis	B. Zizolfi
---------------------	------------------------------	-------------------

SUNDAY, MAY 7

PRE-CONGRESS COURSES:

PG COURSE 3: INFERTILITY AND REPRODUCTIVE SURGERY

Course Directors: A. Pellicer, F. Ubaldi

12.00 pm - 12.30 pm	Fertility preservation in women with endometriosis before surgery	M. Cozzolino
12.30 pm - 01.00 pm	Endometriosis/adenomyosis and ART outcomes	V. Cela
01.00 pm - 01.30 pm	Premature ovarian insufficiency and interdisciplinary approach: how can surgeon help in infertility?	L. Adamyan
01.30 pm - 03.00 pm	Lunch	
	SESSION III: SURGICAL MANAGEMENT OF PELVIC PATHOLOGIES ASSOCIATED TO THE INFERTILITY	
	<i>Chairs: A. Pellicer, F. Ubaldi</i>	
03.00 pm - 03.40 pm	Surgical management of endometriosis before ART	E. Zupi
03.40 pm - 04.20 pm	Etiopathogenesis of endometrioma and surgical management for fertility enhancement	C. Nezhad
04.20 pm - 05.00 pm	Adenomyosis: when is surgical or medical management indicated?	L. Muzii
05.00 pm - 05.40 pm	Tubal surgery in infertile women, is still there a role?	G. Grimbizis
05.40 pm - 06.10 pm	Robotic Reproductive Surgery state of the Art	A. Gargiulo
06.10 pm	Adjourn	

SUNDAY, MAY 7

PRE-CONGRESS COURSES:

PG COURSE 4: NEW FRONTIERS IN INTRAUTERINE SURGERY

Venue: Policlinico Universitario Agostino Gemelli - Training Center

Course Director: U. Catena

The course intends to provide the necessary knowledge and practical skills to treat simple and complex intrauterine pathologies. You will have the possibility to learn from the best intrauterine surgeons from all over the world, with high level lectures and mentoring in wet & dry lab.

Course Objectives:

After completion of the course participants will be able to:

- Implement their knowledge in intrauterine surgery
- Standardize their approach to the uterine cavity and the different intrauterine pathologies
- Know the full range of devices for an innovative approach to intrauterine surgery

Chairs: S. Bettocchi, U. Catena, A. Di Spiezio Sardo

10.00 am - 10.15 am	Course opening and Welcome to the participants	
10.15 am - 01.00 pm	LECTURES	
10.15 am - 10.35 am	The history of hysteroscopy: where do we come from?	<i>S. Bettocchi</i>
10.35 am - 10.55 am	GCH/AAGL/ESGE Malaga Consensus against Blind Intrauterine Procedures	<i>S. Haimovich</i>
10.55am - 11.15 am	Role of TRD in the endometrial sampling	<i>G. Bigatti</i>
11.15 am - 11.35 am	Coffee break	
11.35 am - 11.55 am	Is there a role for hysteroscopy in the treatment of adenomyosis?	<i>R. Campo</i>
11.55 am - 12.15 pm	Role of TRD in the treatment of RPOC	<i>U. Catena</i>

SUNDAY, MAY 7

PRE-CONGRESS COURSES:

PG COURSE 4: NEW FRONTIERS IN INTRAUTERINE SURGERY

Course Director: U. Catena

12.15 pm - 12.35 pm	Treatment of uterine malformations: what is the evidence? G. Grimbizis
12.35 pm - 12.55 pm	Missed abortion: is it time to change the standard treatment? T. Carugno
01.00 pm - 02.00 pm	Lunch
02.00 pm - 04.00 pm	WET & DRY LAB <i>Participants will have the possibility to improve their skills in:</i> <ul style="list-style-type: none"> • Standardize approach to diagnostic hysteroscopy • Office procedures with 5 Fr instruments • GESEA HYSTT exercises • Resectoscopy • Use of TRD (on female genital models, virtual simulators) • Radiofrequency endometrial ablation
04.00 pm	Closure

GESEA CERTIFICATION SESSIONS LEVEL 1

Chairs: U. Catena, F. Campolo

10.00 am - 10.30 am	Welcome & Registrations
10.30 am - 11.30 am	LASTT (Laparoscopic Skills Training and Testing)
11.30 am - 12.30 pm	SUTT1 (Suturing and Knot Tying Training and Testing)
12.30 pm - 01.00 pm	HYSTT1 (Hysteroscopic Skills Training and Testing)
01.00 pm - 02.00 pm	Lunch
02.00 pm - 03.00 pm	TESTT1 (Theoretical Training and Testing Test)

MONDAY, MAY 8

Auditorium

SCIENTIFIC PROGRAM:

08.20 am - 08.30 am

OPENING

M.S. Abrão, M. Malzoni, L. Michels, G. Scambia

ENDOMETRIOSIS

08.30 am - 11.00 am

LECTURES

*Chairs: L. Adamyan, M. Candiani, F. Carmona,
P. Koninckx, P. Mangeshikar*

08.30 am - 08.50 am

Endometriosis may not be a chronic disease: from an hypothesis to clinical evidence **M. Canis**

08.50 am - 09.10 am

Topographic detailed map of endometriosis extension: #Enzian score **J. Keckstein**

09.10 am - 09.30 am

Endometriosis surgical complexity inspired score: AAGL 2021 Endo Classification by surgery and by imaging **M.S. Abrão**

09.30 am - 09.50 am

Endometriosis US made by expert: beyond the level of a first line examination **A. Di Giovanni**

09.50 am - 10.10 am

MR role: any advantage after US made by experts? **M. Bazot**

10.10 am - 10.30 am

Discussion

10.30 am - 11.00 am

LIVE DEMONSTRATION Cadaveric Dissection: Pelvic neuroanatomy key issues to face endometriosis surgery from Anatomic Room "G. Mazzotti" Alma Mater Studiorum - University of Bologna **B. Rabischong, R. Seracchioli**

11.00 am - 01.15 pm

LIVE SURGERIES from Endometriosis Center Paideia International Hospital - Rome

*Chairs: R. Botchorishvili, A. Novosad, V. Remorgida,
S. Schettini, S. Singh*

LIVE ULTRASOUND STAGING

Sonographer: A. Di Giovanni

Surgeons: M. Malzoni, A. Wattiez

MONDAY, MAY 8

Auditorium

SCIENTIFIC PROGRAM:

01.15 pm - 02.15 pm

LUNCH INDUSTRY SYMPOSIUM MEDTRONIC - *"Hugo TM Revealed. Demysfying RAS for the experienced and new surgeons"*

S. Gueli Alletti, G. Monterossi, G. Panico

MONDAY, MAY 8

Auditorium

SCIENTIFIC PROGRAM:

02.25 pm - 02.45 pm	<i>Keynote lecture: The metaverse meets endometriosis</i> S. Singh
02.45 pm - 04.45 pm	LIVE SURGERIES from Endometriosis Center Paideia International Hospital - Rome and from IFEM Endo - Bordeaux, France <i>Chairs: E. Bastu, V. Cela, A. Ercoli, S. Ferrero</i> J. L. Salgado Morales LIVE ULTRASOUND STAGING <i>Sonographer: M. Gonçalves</i> <i>Surgeons: M.S. Abrão, M. Candiani, H. Roman</i>
04.45 pm - 07.00 pm	LECTURES <i>Chairs: P. Ayroza, M. Ianieri, C. Nezhat, G. Pistofidis,</i> A. Popov, M. Vignali
04.45 pm - 05.05 pm	Ovarian surgery: enhancing safety, minimizing damages J. Einarsson
05.05 pm - 05.25 pm	Bladder surgery: wide range of difficulty T. Lee
05.25 pm - 05.45 pm	Ureteral surgery: from ureterolysis to reimplantation E. Salomão
05.45 pm - 06.05 pm	Parametrial surgery: nerve sparing challenge S. Khazali
06.05 pm - 06.25 pm	Bowel surgery: take measurements for tailored approach M. Malzoni
06.25 pm - 06.45 pm	Hysterectomy: balancing radicality with organ function preservation P. Pasic
06.45 pm - 07.00 pm	Discussion
07.00 pm	Closure

MONDAY, MAY 8

Sala Pininfarina

SCIENTIFIC PROGRAM:

01.30 pm - 02.55 pm

**Symposium ISGE - Building Bridges Endoscopy -
Diagnostic Techniques**

**International Society for Gynecologic Endoscopy
Promoting Vaginal Surgery
Program Lunch Symposium**

Building Bridges Endoscopy - Diagnostic Techniques

Chairs: A. Linnamägi, L. Muzii, G. Noé

01.30 pm - 01.45 pm

Myomata ISGE ongoing Trial on Preoperative Evaluation
G. Florio, L. La Barbera, A. Rossetti

01.45 pm - 02.00 pm

Myoma Ultrasound and Hysteroscopy Building Bridges
B. J. van Herendael

02.00 pm - 02.15 pm

Hysteroscopic Guidelines for Myomectomy ***A. Loddo***

02.15 pm - 02.30 pm

Pelvic Floor the Rational Approach ***G. Noé***

02.30 pm - 02.45 pm

Three Compartment Prolapse Surgery ***G. Panico***

02.45 pm - 02.55 pm

Discussion

MONDAY, MAY 8

Sala Architettura

SCIENTIFIC PROGRAM:

01.15 pm - 02.15 pm	INDUSTRY SYMPOSIUM RF/LINA <i>Myoblate™ Radiofrequency ablation for uterine fibroids: indications and live case presentation</i> <i>M. L. Cañete Palomo</i>
01.15 pm - 01.40 pm	Indications of Uterine Fibroid RFA
01.40 pm - 02.05 pm	Presentation of Live Case Videos
02.05 pm - 02.15 pm	Q&A

Poster Session

**TUESDAY, MAY 9****Auditorium****SCIENTIFIC PROGRAM:****ENDOMETRIOSIS**

08.20 am - 11.00 am

LECTURES*Chairs: T. Seckin, A. Setúbal, A. Stepanian, J. Tsaltas*

08.20 am - 08.40 am

Endometriosis: the challenge to anticipate the diagnosis below the visibility threshold **A. Graziottin**

08.40 am - 09.00 am

Towards a consensus on endometriosis management
A. Wattiez

09.00 am - 09.20 am

Towards a consensus on endometriosis diagnosis and classification
G. Hudelist

09.20 am - 09.40 am

Association between endometriosis and cancer
A. Lopes

09.40 am - 10.00 am

Current and novel medical treatments: still “waiting for Godot”?
P. Vercellini

10.00 am - 10.20 am

When, how and why removal of endometriosis helps achieve pregnancy?
F. Carmona

10.20 am - 10.40 am

Beyond the boundaries: risk and benefits of adenomyosis surgery
A. Mattei

10.40 am - 11.00 am

Discussion

11.00 am - 12.45 pm

LIVE SURGERIES from Endometriosis Center
Paideia International Hospital - Rome*Chairs: M. Achour, S. Becker, N. Jain, F. Osorio,
V. Thomas***LIVE ULTRASOUND STAGING***Sonographer: A. Di Giovanni**Surgeons: H. Ferreira, J. Gilabert*

TUESDAY, MAY 9

Auditorium

SCIENTIFIC PROGRAM:

ENDOMETRIOSIS

12.45 pm - 01.00 pm *“The first to believe it”*: Lifetime Achievement Award to Harry Reich, the first visionary pioneer to believe in the potential of minimally invasive surgery

01.00 pm - 01.30 pm *Keynote lecture: A perfect recipe for success in MIGS: surgery, lifelong learning and music* **C. Miller**

01.30 pm - 02.30 pm Lunch

HYSTEROSCOPY

02.30 pm - 03.40 pm **LECTURES**

Chairs: N. Colacurci, G. Di Renzo, G. Grimbizis, I. Mazzon

02.30 pm - 02.50 pm The new ESGE/GCH/AAGL nomenclature **T. Carugno**

02.50 pm - 03.10 pm The uterine factor in infertility **L.A. Pacheco**

03.10 pm - 03.30 pm Diagnosis and treatment of uterine malformations - **O. Shawki**

03.30 pm - 03.40 pm Discussion

03.45 pm - 05.15 pm **LIVE SURGERIES** from Class Hysteroscopy Center
Fondazione Policlinico Gemelli IRCCS - Rome

Hospital Coordinator: U. Catena

Chairs: A. Di Spiezio Sardo, G. Grimbizis, L. Nappi

Worldwide renowned surgeons will demonstrate how less invasive treatment options allow to implement intrauterine surgery

Surgeons: S. Bettocchi, G. Bigatti, R. Campo, U. Catena, S. Haimovich

**TUESDAY, MAY 9****Auditorium****SCIENTIFIC PROGRAM:****HYSTEROSCOPY**

05.15 pm - 06.25 pm

LECTURES*Chairs: E. Cicinelli, L. Cobellis, C. De Angelis,
G. Gubbini, M. Pansky*

05.15 pm - 05.35 pm

Endometrial biopsy under hysteroscopic guidance:
indications***G. Grimbizis***

05.35 pm - 05.55 pm

Fertility Sparing Treatment of Endometrial Cancer:
ESGE/ESGO/ESHRE Guidelines***A. Di Spiezio Sardo***

05.55 pm - 06.15 pm

New frontiers in Adenomyosis

K. Isaacson

NAME BADGES

All participants and exhibitors must wear the Congress identification badges. Entrance to Meeting halls and exhibition area will not be permitted to any person without badge. Name badges are color coded as follows:

YELLOW **SPONSOR**

BLUE **PARTICIPANT (Physicians/Residents/Students/Nurses/Trainees)**

RED **FACULTY MEMBER**

For security reasons lost/forgotten badges can be reprinted one time per individual and will be charged at € 80,00 + VAT reprint fee. Additional reprints for a single individual will not be permitted.

LANGUAGE

The official language of the Congress is English.

All abstracts and presentations should be in English.

No simultaneous translation will be provided.

GENERAL INFORMATION

INSURANCE

The Organizers cannot accept liability for personal accidents, and/or loss of and/or damage to private property of participants, either during or directly arising from the GYNITALY2023 Congress. Participants should arrange their own health and travel insurance for their trip and attendance.

EACCME® CREDITS

The **XVII AAGL INTERNATIONAL MEETING - GYNITALY** has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **21** European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Disciplinary areas: Medical Surgeons and Gynecologists.

Credits will be recognized only based on the attendance of the scientific sessions.

Below the breakdown of ECMEC®s per day:

08.05.2023 - 8.00

09.05.2023 - 8.00

10.05.2023 - 5.00

AMERICAN MEDICAL ASSOCIATION (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities

ROYAL COLLEGE OF PHYSICIANS AND SURGEONS OF CANADA

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME® for ECMEC®s credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.

GENERAL INFORMATION

The **GYNITALY PG COURSES DAY** (May 7th) has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **8** European CME credits (ECMEC®s).

Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American

Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

Each participant can only receive the number of credits he/she is entitled to according to his/her actual participation at the event once he/she has completed the feedback form.

Please find below the breakdown of ECMEC®s per day:

07.05.2023 - 8.00

FOR ITALIAN PHYSICIANS ONLY

Il Congresso è stato accreditato dal Provider n.836 Bluevents srl, ai fini dell'Educazione Continua in Medicina per le seguenti professioni: Medico Chirurgo, specializzato in Ginecologia ed Ostetricia, Ostetriche ed Infermieri.

I crediti formativi assegnati sono n. 3.

La Legislazione in materia di ECM non prevede l'assegnazione dei crediti formativi a specializzandi e ad altre professioni/discipline mediche differenti rispetto a quelle sopra elencate.

Per l'ottenimento dei crediti formativi i partecipanti regolarmente iscritti al

GENERAL INFORMATION

Congresso sono tenuti ad indossare il badge elettronico durante tutti i lavori, partecipare almeno al 90% dei lavori scientifici, compilare sia la scheda di autocertificazione per verifica di apprendimento che la scheda di valutazione della qualità percepita.

SOCIAL DINNER

It will be held on May 9. Note that the space allows a limited number of accesses.

In order to book and collect your ticket, you can register at **SOCIAL DINNER**, you can also contact the organizers at info@gynitaly23.com or at the registration desk at the Congress venue.

WELCOME APERITIF

A Welcome aperitif is scheduled on May 8 at 07.00 pm in the exhibition area. All the regularly registered participants are invited.

Those who wish to attend should kindly send a confirmation message at info@gynitaly23.com.
