---------------	---

16:35 – 17:00	Health economics in ART: a focus on gonadotropins Christos Venetis (Greece)
---------------	---

17:00 – 17:20	Panel discussion and Q&A from audience All speakers
---------------	---

17:20 – 17:30	Survey, wrap-up and closing remarks for day 1 Edgar Mocanu (Ireland)
---------------	---

Program: Day 2 (Saturday, 2nd March)

Time (CET)

09:00 – 09:10

Introduction and Welcome

Chair: Edgar Mocanu (**Ireland**) and Hermann Behre (**Germany**)

Session title

Optimizing the female reproductive system for ART

Chair: Edgar Mocanu (**Ireland**)

09:10 – 10:00

Managing recurrent implantation failure:
a distressing condition

Antonio Pellicer (**Spain**)

10:00 – 10:40

Microbiota in fertility: current findings

Gemma Fabozzi (**Italy**)

10:40 – 11:00

Refreshment break

11:00 – 11:10

Future medical education insights survey

Edgar Mocanu (**Ireland**)

11:10 – 11:50

Endometriosis and infertility:
a new treatment paradigm

Charles Chapron (**France**)

11:50 – 12:30

Metabolic and endocrine disorders in relation to
ART outcomes: clinical recommendations

Ricardo Azziz (**US**)

12:30 – 13:00

Panel discussion and Q&A from audience

All speakers

Time (CET)

13:00 – 14:00

Lunch

Session title

Innovations in ART

Chair: Charles Chapron (**France**)
